

Self-assessment

Career Readiness Checklist

- ☐ Have I clearly defined my career goals based on my interests, strengths, and values?
- ☐ Are my course selections and academic activities aligned with my career goals?
- ☐ Am I actively seeking opportunities for networking and professional experience in my field of interest?
- ☐ Do I reflect on these experiences to understand how they contribute to my career path and personal growth?
- ☐ Am I open to exploring new opportunities and directions based on emerging trends and personal interests?
- ☐ Do I actively seek feedback on my academic performance and professional development to identify areas for improvement?
- ☐ Do I regularly review and update my academic and career plans based on new information and experiences?
- ☐ Have I started planning for post-graduation steps, such as further education or entering the workforce?
